Guest Speaker:
Rev. Bryan Koch

Bryan Koch is the Assistant Superintendent for the Pennsylvania-Delaware District, and has served as Lead Pastor for GT Church for over 25 years. Before being called into ministry, Bryan was a professional baseball player in the Chicago White Sox organization before being hit with a 90 mile an hour fastball that blinded him in his left eye and ended his baseball career.

In the summer of 2015, Bryan experienced something that would change his life forever when he and his wife, Lynn, were hit by a drunk driver, while riding their motorcycle. That accident caused him to lose his wife of 28 years and his left leg.

Drawing on his incredible life experiences, Bryan communicates with an authentic, open style that allows him to be transparent and real with people. Most of all, he is able to share about his unwavering faith that has taught him that “ if God brings you to it, He will bring you through it.”

In addition to leading a church of over 3,000, Bryan is the co-author of the discipleship book “Follow,” and is also a frequent conference speaker, specializing in training churches in leadership development. However, Bryan’s true passion is helping people become fully devoted followers of Jesus.
